

Mini Report Team 5 (21.10.2022)

Done things:

- Got acquainted with Balsamiq and Figma
- Made skeletons for the project

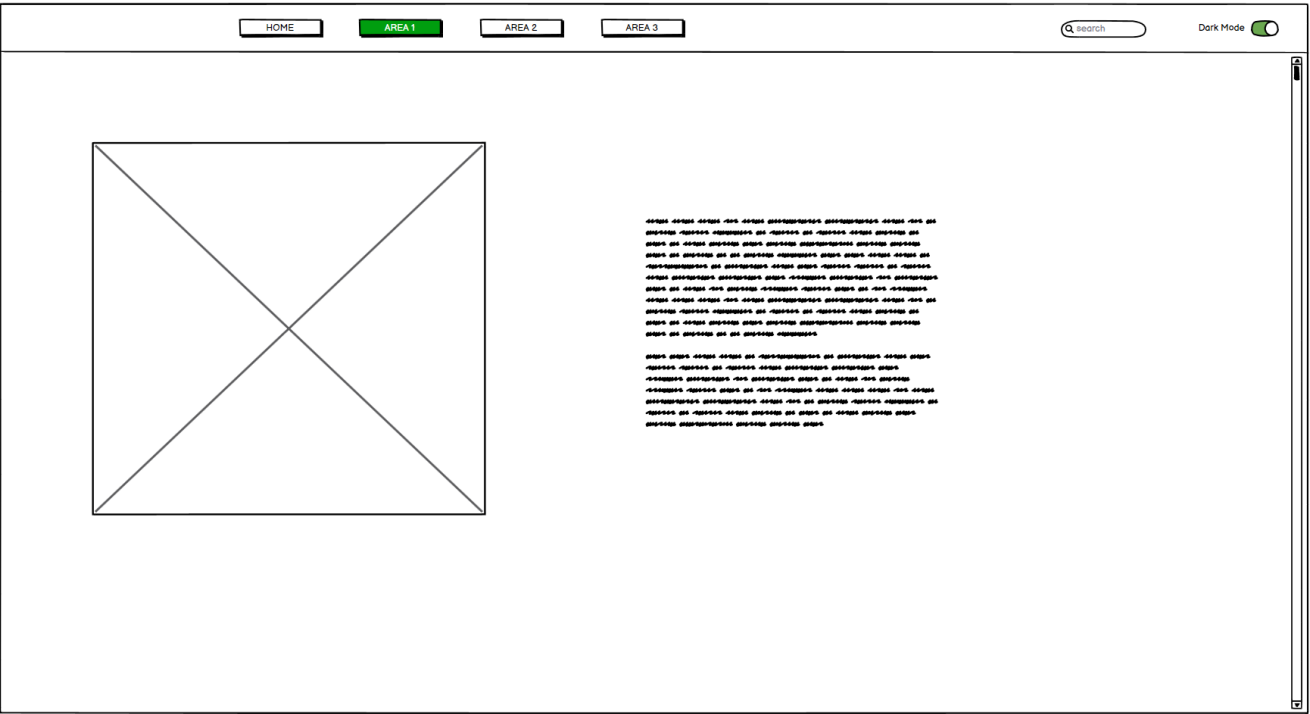

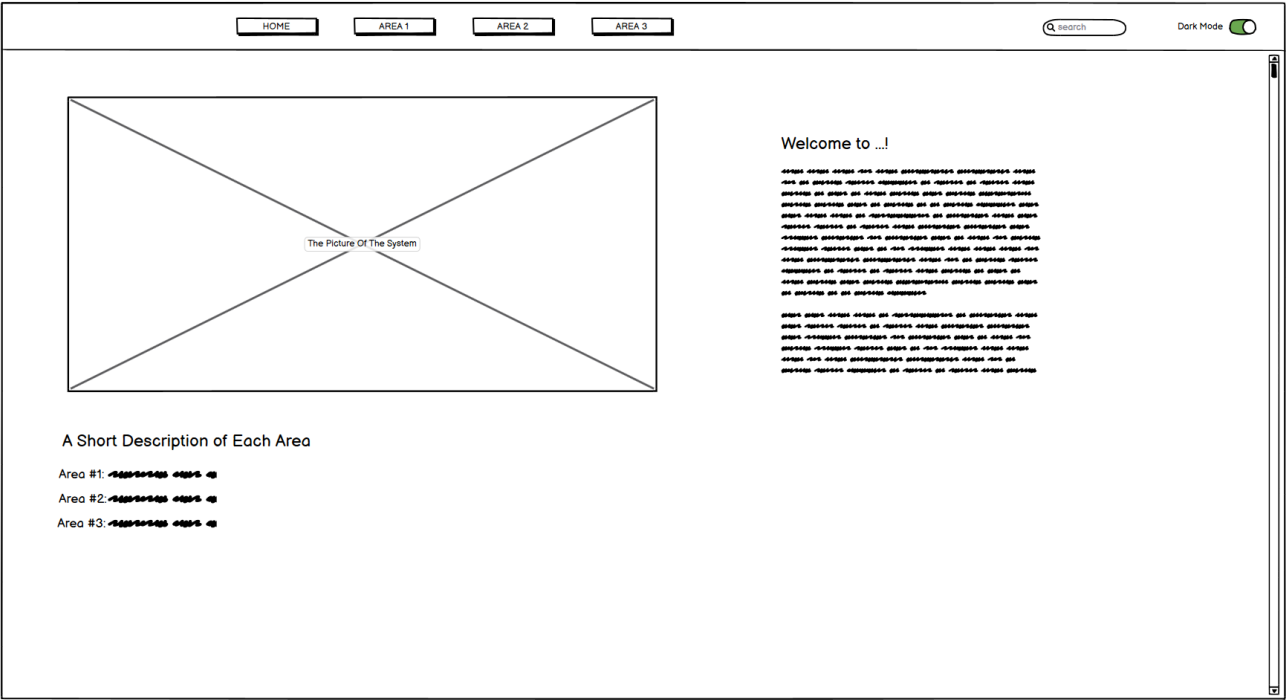

Issues:

- The lack of vision of the areas page (the detailed explanation of what each team want to be implemented on their page)

Future plans:

- Add more functionality to main menu
- Fill each area`s page with requirements from other teams
- Understand how exactly connect Figma API with Python API
- Make the project more aesthetically pleasant

Draft of the System in Balsamiq:

Draft of the System in Figma:

PIC OF THE SYSTEM

Hello there!
description of the system

Short description of each area:

- Area #1:
- Area #2:
- Area #3:
