

## **MINI REPORT (area 1) 09-29-10.02**

### **What was done this week?**

The team leader setted up Jira project management software. Team members continued learning Python, analyzing the provided description of the group project.

### **What issues/risks/blockers do you have?**

Communication with other teams and lack of Python skills.

### **What is the goal for next week?**

The goal for this week is to finish the Requirements Specification. Learn LaTeX and rewrite the Requirements Specification to it.

### **What is the overall status - green, yellow, or red? Explain briefly in case of non-green status.**

Right now, the overall status of our team project's flow is between yellow and green. The thing that is keeping us from the green status is the lack of communication with other teams.
