Mini Report Team 5 (25.11.2022)

Done things:

- Worked on the interface.
- Reserached on how to make 3D models using python

Issues:

- Haven't found a solution on how to make 3D models yet.

Future plans:

- Fully implement created design in Figma using Tkinter.
- Possibly apply some changes to the inerface.
- Create 3D models.
